Re: Recognition of Years of Service for Santa Fe County Employees for April 2018

Santa Fe County initiated a years of service recognition program in July of 2014. This program recognizes employees on a monthly basis who have completed years of service in five year increments. Santa Fe County recognizes the value of employee retention. It is important that we express our appreciation to those employees who contribute to the County and choose to make their career with us. Employees receive a service pen with the years of service listed.

Re: Recognition of Santa Fe County Employee of the Quarter, 1st Quarter of 2018 Awards

The purpose of the Employee of the Quarter Program is to recognize employees who make a significant contribution to Santa Fe County during the previous three (3) month period. The significant contribution may include providing excellent service to our constituents, developing and implementing new programs which will benefit our organization, for providing exemplary performance to Santa Fe County in their daily job performance, demonstrating a willingness to work above and beyond the call of duty or another contribution which the nominator believes to be important to recognize. The process for selecting the Countywide Employee of the Quarter begins with the designated Recognition Teams selecting one (1) Department/Elected Office Employee of the Quarter for their group. These six (6) Department/Elected Office Employees of the Quarter are then considered for the countywide Employee of the Quarter.

The two employees selected for the Department/Elected Office Employee of the Quarter for the first quarter of calendar year 2018 are as follows:

Group	Employee Name	Title	Hire Date	Comments
Public Safety	Ramon Vilorio	Fire Lieutenant	10/15/2009	Lieutenant Vilorio is an invaluable employer with the Santa Fe County. He performs with the utmost professionalism, and embodies some of the highest moral and ethical standards. He truly puts his crew and the

				public that he serves ahead of himself every day. He will go above and beyond to make sure the patient is taken care of and is getting the service they deserve, as well as, the highest quality service Santa Fe County provides. Lieutenant Vilorio is very active in IAFF 4366 as well as attends Public Safety and community events. He strives to commit himself and his crew to excellence in Public Safety.
Public Works	Phyllis Bustamante	Associate Engineer	02/08/2016	Phyllis is an Engineer Associate with Utilities. She is 'one of a kind' when it comes to helping out in any way. She works hard, is always willing to aid others, i.e. will take the time to assist her coworkers in completing tasks, not assigned to her. Phyllis is very patient and improves morale by her example and attitude. She is always looking for ways to improve systems, communications and processes. She has gone above and beyond her assigned duties this quarter, in a time that Utilities is short staffed and/or training new staff. She has learned the front office tasks and helped others in completing billing, auditing, and other associated tasks. As an example, she sat with staff and learned how to process billing along with all associated tasks and then assisted other staff that needed help, all the while showing a very positive attitude.

The winner will be announced during the Board of County Commission Meeting.
