32. **Preferences in Procurement:**

Application of a resident business preference requires the Bidder to provide a copy of a valid and current certificate as a resident business. Certificates are issued by the state taxation and revenue department.

If a Bidder submits with its proposal a copy of a valid and current in-state resident business certificate, the Bidder’s bid will be deemed to be 5% lower than the bid actually submitted.

Certification by the department of taxation and revenue for the resident business takes into consideration such activities as the business or contractor’s payment of property taxes or rent in the state and payment of unemployment insurance on employees who are residents of the state.

OR

B. New Mexico Resident Veteran Preference.

New Mexico law, Section 13-1-22 NMSA 1978, provides a preference in the award of a public works contract for a “resident veteran business”. Certification by the department of taxation and revenue for the resident veteran contractor requires the Bidder to provide evidence of annual revenue and other evidence of veteran status.

A Bidder who wants the veteran business preference to be applied to its bid is required to submit with its bid the certification from the Department of Taxation and Revenue and the sworn affidavit attached hereto as Appendix C.

If a Bidder submits with its proposal a copy of a valid and current veteran resident business certificate, the Bidder’s bid will be deemed to be 10%, 8% or 7% lower than the bid actually received, depending on the business’ annual revenue.

The resident business preference is not cumulative with the resident veteran business preference.

Additional information about obtaining the certificate as a resident business and resident veteran business may be found at:
