

What is E-Recording?

E-Recording is the method of receiving and processing documents for recording via the internet that would otherwise be sent to the County Clerk's Office for recording by express mail or courier service.

E-Recording is offered to only high volume users such as title companies, banks and law firms who need to record documents in Santa Fe County.

If you are a high volume E-Recording user and interested in becoming a subscriber to E-Record, please contact the Santa Fe County Clerk's Office for additional information at (505) 986-6280.
