

## Santa Fe County Internet Access Application

In accordance with Ordinance No. 2009-6; Section 7, Internet Access to Portions of the AS400 Database and Recently Recorded Documents (Webextender):

- A. Upon written request, and so long as current in payment of the applicable fees, those data fields contained on the County's AS400 computer system which are subject to inspection shall be made available through the Internet or any replacement computer system. Access via the Internet shall be limited to viewing and printing the accessible data fields.
- B. Upon written request, and so long as current in payment of the applicable fees, documents recorded by the County Clerk and available electronically shall be made available through the Internet using a password protected system.

In accordance with Ordinance No. 2009-6; Section 6, all fees are due and payable prior to the receipt of data or information, and are non-refundable.

In order to receive a username and password, please fill out the following:
